

## HERE'S HOW THE PLAN WORKS:

### #1 – AN HP INSTANT INK ELIGIBLE PRINTER

Do you have an eligible printer? Click [here](#) to find a list. Because you have an eligible printer, your printer will “communicate” with HP and inform them to send you more ink when you are running low.

(Even if your printer is not on the list due to the extensive savings it is worth it to buy one that is on the list. The money you'll save in ink in the long run will more than make up for it!)

### #2 – SELECT YOUR PLAN

After you confirm you have an “ELIGIBLE” printer, you'll need to choose your plan. Plans are month-to-month without annual fees. Choose a plan based on how much you'll think you'll print at home, but know that you can always change it ...anytime (without a fee)!

Occasional printing plan	Moderate printing plan	Frequent printing plan
 <b>\$2.99</b> /month 50 pages per month included	 <b>\$4.99</b> /month 100 pages per month included	 <b>\$9.99</b> /month 300 pages per month included
<b>Print Less?</b> Roll over up to 50 unused pages <sup>4</sup>	<b>Print Less?</b> Roll over up to 100 unused pages <sup>4</sup>	<b>Print Less?</b> Roll over up to 300 unused pages <sup>4</sup>
<b>Print More?</b> Each additional 15 pages just \$1	<b>Print More?</b> Each additional 20 pages just \$1	<b>Print More?</b> Each additional 25 pages just \$1
With HP Instant Ink \$36/year With standard size cartridges \$132/year	With HP Instant Ink \$60/year With standard size cartridges \$264/year	With HP Instant Ink \$120/year With standard size cartridges \$792/year
<b>Yearly savings</b> <b>\$96</b>	<b>Yearly savings</b> <b>\$204</b>	<b>Yearly savings</b> <b>\$672</b>

Here's an example. Print 300 pages in a month: full color or black/white or any combination for \$10 a month! If you print over 300 pages, it costs you \$1.00 for every 25 pages over your limit. That's it!

If you DON'T print your maximum pages for the month, any 'extra' pages are rolled over into the next month's printed pages quota at no additional cost.

Sample Billing Cycle View Below:

-148 pages so far

-300 roll over pages built up.

Result: 452 printed pages this month IN COLOR without paying more than the \$9.99

The screenshot displays the HP printer status interface. On the left, under the heading "Status", there is an image of an HP Officejet 4630 e-All-in-One printer. To its right, the printer model and email address (346ackpe979ids@hpeprint.com) are listed. Below this, two green checkmarks indicate the printer is "Online" and "Enrolled in \$9.99 plan" with account number 93228. Further down, under "HP Instant Ink Delivery Status", two more green checkmarks show "Black: Properly Installed" and "Tri-color: Properly Installed", each with a link to "Properly Installed". On the right side of the status page, a "Monthly Summary" for the period May 19, 2016 - Jun 18, 2016, shows "148 pages" printed for "\$9.99 + tax". Below the summary are three progress bars: "REGULAR PAGES" (148 of 300 used, blue bar), "ROLLOVER PAGES" (0 of 300 used, green bar), and "ADDITIONAL PAGES" (0 used, white bar). The top right corner of the status page shows the current time as "Jun 3, 2016 9:59 AM" and a refresh icon.

**COST SAVING. CONVENIENT. CONSISTENT.**

Consider this: rather than buying ink every month and spending \$400 a year... pay \$9.99 a month ... which comes out to \$120.00 a year. A savings of \$280.00 a year and never having to worry about running out of ink because the ink is delivered right to your door...before you need it.

### #3 – HOME DELIVERY

Your printer will "communicate" with HP to alert them of your ink supply levels. Once your ink starts to get low, they will mail you new ink cartridges. **You are not charged for the ink cartridges every time they ship you new ink.** The monthly fee covers all the ink you need. A never-ending supply for one low monthly fee.

Finally, prepaid envelopes to mail back your old cartridges so they can be recycled

## SERVICE AVAILABLE WHERE?

The countries where the program is available:

- United States
- Canada
- Germany
- France
- Spain
- UK
